

## **Winter Rose Homeowners Association**

### **Yard of the Month June and July 2009**

From May through September the Architectural Control Committee recognizes one residence for the outstanding efforts put into maintaining the front yard.

The following homes have been selected as the Yard of the Month for the months of June and July of 2009:

**June 2009 – 2903 residence**

**July 2009 – 2822 residence**

For one month the “Yard of the Month” plaque is displayed in the winning yard, and the winning homeowner receives a \$50 Home Depot gift card as a thank you for his/her efforts.

**We hope the next Yard of the Month is yours!**

We are all winners when homeowners maintain their yards because a well kept yard improves the value of our entire neighborhood!
